Welcome

Erin P. Edgar

LTC, MC

Chief, Department of Combat Medic Training

US Army EMS Programs Medical Director

Deputy Director, Department of Combat Medic Training

Today's Agenda

- 91W Transition and "Y2" Removal
  - MODS – Tracking/Reporting
- Overview of US Army EMS Programs
- Program Approval/Reporting Req.
  - Course Requests
  - Text Book Requests
  - Centralized Fee Funding
- Field Issues/Open Forum

US Army EMS Programs

- US Army EMS Programs Medical Director
- US Army EMS Programs Manager
- Local Course Medical Director
- Local Course Coordinator
- Local Course Primary Instructor

Role of the Medical Director

"Medical direction of the EMT-Basic is an essential component of prehospital training, and thus is included in this revised EMT-B curriculum. Physician involvement should be in place for all aspects of EMS training programs..."

1994 US DOT EMT-B National Standard Curriculum

Course Medical Director

- The ultimate medical authority regarding course content, procedures, and protocols.
- Liaison between the EMT course and the medical community.
- Responsible for reviewing the quality of care rendered by the EMT-Basic in the clinical and field setting.

Course Medical Director

- Responsible to verify student competence in the cognitive, affective and psychomotor domains. (Direct verification can be conducted by Medical Director's designee)
- The Course Medical Director may also serve as the Primary Instructor.
